About the speaker

I am just another guy who is into development, tech blogging, self-help blogging, podcastitng, mentoring, teaching, startups, community building, but most of it, still exploring life ^.^

THE
LEAN
PROGRAMMER

Today's Agenda

1. The world of web development
2. "Git" started
3. How to submit the tasks
4. Short intro to HTML (yeah, lol)

GitHub Repo: https://github.com/MadhavBahlMD/webmentor

Part 1: The world of

Web Dev

Link to my article:
https://codeburst.io/a-practical-approach-to-web-development-1ee37a4ad829

GitHub Repo: https://github.com/MadhavBahlMD/webmentor

Part 2:

Git Started

Crash Course
